

PZM 02/09 Roy Jacobs & Associates Files Class Action Lawsuit On Behalf of New Century Financial Corp. Investors- -NEW

NEW YORK, Feb. 9, 2007 (PRIME NEWSWIRE) -- Roy Jacobs & Associates announces that it has filed a class action lawsuit in the United States District Court for the Central District of California on behalf of purchasers of the common stock and other securities of New Century Financial Corp. ("New Century" or the "Company") (NYSE:NEW) who purchased during the period from May 4, 2006 through February 7, 2007, inclusive (the "Class Period").

For further information you may call toll free, 1-800-347-1236, or contact counsel by e-mail by writing to jacobs@jacobsclasslaw.com

The complaint alleges that New Century and certain of its officers and directors violated the federal securities laws by making false and misleading statements and omissions concerning the Company's operations and financial results for the first three quarters of 2006. New Century, a mortgage finance company, makes substantial amounts of residential mortgage loans. It does not hold these loans but sells the loans to banks and investors. The purchasers can require New Century to repurchase loans which become troubled.

During the Class Period defendants knew but failed to reveal that New Century was being forced to buy-back substantially more loans than originally had been expected. Despite knowing of the surge in forced loan repurchases, the defendants failed to properly account for them. In addition, the Company failed to write-down the value of the loans reacquired, even though these troubled loans had materially declined in value.

Then on February 7, 2007 the Company shocked the market by announcing that it was going to restate its financial results for the first three quarters of 2006 because the Company had failed to account for all of the re-purchased loans, and had failed to properly reduce the value of the loans repurchased. The Company was forced to admit that its financial statements could no longer be relied upon.

As a result of this unexpected news, New Century shares dived to a 52-week low, dropping \$10.92, a decline of over 36% on volume of 25 million shares.

If you purchased New Century stock or other securities during the Class Period, you may qualify to serve as Lead Plaintiff on behalf of the

Class, which consists of all persons and entities who purchased New Century stock or other securities from May 4, 2006 through February 7, 2007. You are not required to have sold your New Century stock or other securities in order to claim damages, or to serve in this role. All motions for appointment as Lead Plaintiff must be filed with the Court by April 10, 2007.

The Pomerantz Firm Charges New Century Financial Corporation
With Securities Fraud -- NEW

*T

NEW YORK, Feb. 9, 2007 (PRIME NEWSWIRE) -- Pomerantz Haudek Block Grossman & Gross LLP (www.pomerantzlaw.com) ("Pomerantz") has filed a class action lawsuit in the United States District Court, Central District of California, against New Century Financial Corporation ("New Century" or the "Company") (NYSE:NEW) and certain officers, on behalf of purchasers of the common stock of the Company during the period from May 4, 2006 through February 7, 2007, inclusive (the "Class Period"). The complaint alleges violations of Section 10(b) and Section 20(a) of the Securities Exchange Act, and Rule 10b-5 promulgated there under.

New Century is a real estate investment trust and mortgage finance company with headquarters in Irvine, CA. The Company operates nationwide through its mortgage origination subsidiaries, New Century Finance Corporation and Home123 Corporation. The Complaint alleges that Defendants materially overstated earnings, understated loan repurchases losses, failed to establish a sufficient load repurchase loss reserve, and violated Generally Accepted Accounting Principals ("GAAP") in various press releases and quarterly reports filed with the SEC.

In particular, defendants: (1) failed to include the expected discount upon disposition of loans when estimating allowances for loan repurchase losses; and (2) refused to properly consider the increasing volume of repurchase requests and thereby failed to apply the proper methodology for estimating the volume of anticipated repurchase claims for calculating the repurchase reserve calculation. On February 7, 2007 Defendants issued a press release admitting that they had failed to properly apply GAAP, withdrawing reliance on the previously-filed 10-Q quarterly reports for the first three quarters of 2006, and conceding that they would have to materially restate New Century's financials to reflect the proper accounting for loan repurchase losses.

If you are a shareholder who purchased the securities of New Century during the Class Period, you have until April 10, 2007 to ask the Court to appoint you as lead plaintiff for the class. Lead plaintiffs must meet certain legal requirements. Shareholders outside the United States may join the action, regardless of where they live or which exchange was used to purchase the securities. *T

Scott+Scott, LLP Files Class Action Lawsuit Against New Century Financial Corp. On Behalf of Investors -- NEW

*T

COLCHESTER, Conn., Feb. 9, 2007 (PRIME NEWSWIRE) -- Today, Scott+Scott, LLP, filed a class action against New Century Financial Corp. ("New Century" or the "Company") (NYSE:NEW) and certain officers and directors in the U.S. District Court for the Central District of California. The action is on behalf of New Century common stock purchasers during the period April 7, 2006 through February 7, 2007, inclusive (the "Class Period"), for violations of the Securities Exchange Act of 1934. The complaint alleges that defendants made false and misleading statements and material omissions regarding the Company's business and operations and that, as a result, the price of the Company's securities was inflated during the Class Period, thereby harming investors.

If you purchased New Century stock during the Class Period and wish to serve as a lead plaintiff in the action, you must move the Court no later than 60 days from today's date. Any member of the investor class may move the Court to serve as lead plaintiff through counsel of its choice, or may choose to do nothing and remain an absent class member. If you wish to discuss this action or have questions concerning this notice or your rights, please contact Scott+Scott (scottlaw@scott-scott.com, 800/404-7770, 860/537-5537) or visit the Scott+Scott website, www.scott-scott.com, for more information. There is no cost or fee to you.

According to the complaint, during the Class Period, defendants made false and misleading statements regarding the Company's quarterly financial results and profits, in active concealment of the wayward nature of their internal controls over accounting. Specifically, plaintiff alleges that defendants actively concealed violations of "generally accepted accounting principles" ("GAAP") and SEC rules in order to conceal the true dimensions and adverse impact of rapidly growing early-payment defaults and loan repurchases on the Company's financial results.

According to the allegations, rather than disclose the truth of these matters, defendants were upbeat in the assessment of the Company's performance, stating that the Company was "on track" to meet profit margin targets, that the Company's quarterly results were "particularly impressive," and that "operating results were solid." The truth of

these matters was revealed on February 7, 2007, upon defendants' shocking announcement that the Company would restate its consolidated financial results for the quarters ended March 31, June 30 and September 30, 2006 to correct violations of GAAP regarding the Company's allowance for loan repurchase losses.

Defendants also admitted that they failed to properly consider, or to disclose to the investment community, for each of the first three quarters of 2006, the growing volume of repurchase claims outstanding that resulted from the increasing pace of repurchase requests that occurred in 2006.

The corrective nature of the Company's shocking press release of February 7, 2007 was immediate and overwhelming in its effect. On February 8, 2007, New Century's stock price plunged \$10.92 or 36.2%, closing at \$19.24 per share, on astounding and unprecedented volume of 25.2 million shares, a loss of over \$605 million in total market value.

The plaintiff is represented by Scott+Scott, a firm with significant experience in prosecuting investor class actions. The firm dedicates itself to client communication and satisfaction and currently is litigating major securities, antitrust and employee retirement plan actions throughout the United States. The firm represents pension funds, charities, foundations, individuals and other entities worldwide.

BUS 02/09 Lerach Coughlin Stoia Geller Rudman & Robbins LLP Files Class

Action Suit against New Century Financial Corporation

SAN DIEGO--(BUSINESS WIRE)--February 09, 2007

Lerach Coughlin Stoia Geller Rudman & Robbins LLP ("Lerach Coughlin") (<http://www.lerachlaw.com/cases/newcentury/>) today announced that a class action has been commenced in the United States District Court for the Central District of California on behalf of all persons who purchased or otherwise acquired New Century Financial Corporation ("New Century") (NYSE:NEW) common stock during the period between April 7, 2006 and February 7, 2007 (the "Class Period").

If you wish to serve as lead plaintiff, you must move the Court no later than 60 days from today. If you wish to discuss this action or have any questions concerning this notice or your rights or interests, please contact plaintiffs' counsel, William Lerach or Darren Robbins of Lerach Coughlin at 800/449-4900 or 619/231-1058, or via e-mail at wsl@lerachlaw.com. If you are a member of this class, you can view a copy of the complaint as filed or join this class action online at <http://www.lerachlaw.com/cases/newcentury/>. Any member of the purported class may move the Court to serve as lead plaintiff through counsel of their choice, or may choose to do nothing and remain an absent class member.

The complaint charges New Century and certain of its officers and directors with violations of the Securities Exchange Act of 1934. New Century is a real estate investment trust that through its subsidiaries operates mortgage finance companies.

The complaint alleges that during the Class Period, defendants issued materially false and misleading statements regarding the Company's business and financial results and concealed the following material adverse facts from the investing public: (a) the Company lacked requisite internal controls, and, as a result, the Company's projections and reported results issued during the Class Period were based upon defective assumptions and/or manipulated facts; (b) the Company's financial statements were materially misstated due to its failure to properly account for its allowance for loan repurchase losses; (c) the Company's financial statements were materially misstated due to its failure to properly account for its residual interests in securitizations by failing to timely write down the impaired asset; (d) given the deterioration and the increased volatility in the subprime market, the Company would be forced to tighten its underwriting guidelines which would have a direct material

negative impact on its loan productions going forward; and (e) given the increased volatility in the subprime market, the Company had no reasonable basis to make projections about its ability to maintain its current mortgage loan production levels for 2007. As a result of these false statements, New Century stock traded at artificially inflated prices during the Class Period, reaching a high of \$51.22 per share on April 28, 2006. Defendants took advantage of this inflation, selling 665,334 shares of their New Century stock for proceeds of over \$26.6 million.

Then, on February 7, 2007, after the market closed, New Century announced that it will have to restate its consolidated financial results for the first three quarters of 2006 to correct errors the Company discovered in its application of generally accepted accounting principles regarding the Company's allowance for loan repurchase losses. On this news, New Century's stock collapsed \$10.92 per share to close at \$19.24 per share on February 8, 2007, a one-day decline of 36%, on volume of 25 million shares, 17 times the average three month volume.

Plaintiffs seek to recover damages on behalf of all persons who purchased or otherwise acquired New Century common stock during the Class Period (the "Class"). The plaintiffs are represented by Lerach Coughlin, which has expertise in prosecuting investor class actions and extensive experience in actions involving financial fraud.

Lerach Coughlin, a 180-lawyer firm with offices in San Diego, San Francisco, Los Angeles, New York, Boca Raton, Washington, D.C., Houston, Philadelphia and Seattle, is active in major litigations pending in federal and state courts throughout the United States and has taken a leading role in many important actions on behalf of defrauded investors, consumers, and companies, as well as victims of human rights violations. Lerach Coughlin lawyers have been responsible for more than \$20 billion in aggregate recoveries. The Lerach Coughlin Web site (<http://www.lerachlaw.com>) has more information about the firm.

PRN 02/09 Abbey Spanier Rodd Abrams & Paradis, LLP Commences Class Action

Securities Fraud Suit Against New Century Financial Corp. - NEW

NEW YORK, Feb. 9 /PRNewswire/ -- Pursuant to Section 21(D)(a)(A)(i) of the Securities Exchange Act of 1934 (the "Exchange Act"), Abbey Spanier Rodd Abrams & Paradis, LLP a prominent New York law firm specializing in securities litigation, hereby gives notice that it has filed a class action complaint in the United States District Court for the Central District of California (Case No. 07-00931) on behalf of a class (the "Class") of all persons who purchased or acquired securities of New Century Financial Corp. ("New Century Financial" or the "Company")(NYSE: NEW) between May 4, 2006 and February 7, 2007 (the "Class Period").

If you would like more information about this case please contact Nancy Kaboolian at Nkaboolian@abbeyspanier.com

The Complaint alleges that defendants violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, and Rule 10b-5 promulgated thereunder, by issuing a series of material misrepresentations during the Class Period thereby artificially inflating the price of New Century Financial securities. The Complaint alleges that the Company's May 4, 2006, July 10, 2006 and November 2, 2006 press releases and its Form 10-Qs for the quarters ending March 31, 2006, June 30, 2006 and September 30, 2006 were all materially false and misleading because the financial statements included in each document did not fairly present the financial condition, results or operations of the Company. Defendants include New Century Financial, Brad A. Morrice (President and CEO), Taj S. Bindra (Executive VP and CFO), Robert K. Cole (Chairman from 1995 to December 2006) and Patti M. Dodge (CFO).

The complaint alleges that during the Class Period defendants knew but failed to reveal that New Century Financial was being forced to buy-back substantially more loans than originally had been expected. Despite knowing of the surge in forced loan repurchases, the defendants failed to properly account for them. In addition, the Company failed to write-down the value of the loans reacquired, even though these troubled loans had materially declined in value.

On February 7, 2007, New Century Financial shocked the market by announcing that it was going to restate its financial results for the first three quarters of 2006 because the Company had failed to account for all of the re-purchased loans, and had failed to properly reduce the value of the loans repurchased. The Company was forced to admit that its financial statements for the quarters ending March 31, 2006, June 30, 2006 and September 30, 2006 could no longer be relied upon. As a result of the February 7, 2007

revelations, New Century Financial shares slumped to a 52-week low, dropping \$10.92, a decline of over 36% on volume of 25 million shares.

Plaintiff seeks to recover damages on behalf of all those who purchased or otherwise acquired New Century securities during the Class Period. If you purchased or otherwise acquired New Century securities during the Class Period, and either lost money on the transaction or still hold the securities, you may wish to join in the action to serve as lead plaintiff. If you purchased New Century securities during the Class Period, you may, no later than April 10, 2007 request that the Court appoint you as lead plaintiff.

A lead plaintiff is a representative party that acts on behalf of other class members in directing the litigation. In order to be appointed lead plaintiff, the Court must determine that the class member's claim is typical of the claims of other class members, and that the class member will adequately represent the class. Under certain circumstances, one or more class members may together serve as "lead plaintiffs." Your ability to share in any recovery is not, however, affected by the decision whether or not to serve as a lead plaintiff.

Abbey Spanier Rodd Abrams & Paradis, LLP has been retained to represent the Class. The attorneys at Abbey Spanier Rodd Abrams & Paradis, LLP have extensive experience in securities class action cases, and have played lead roles in major cases resulting in the recovery of over one billion dollars for investors. MWR 02/09 Saxena White P.A. Files Shareholder Suit Against New Century

Saxena White P.A. Files Shareholder Suit Against New Century
Financial Corporation

BOCA RATON, FL -- (MARKET WIRE) -- 02/09/07 -- On February 9, 2007, Saxena White P.A. filed suit on behalf of shareholders against New Century Financial Corporation ("New Century" or the "Company") (NYSE: NEW) in the United States District Court for the Central District of California.

You can obtain a copy of the complaint from the Court by contacting Saxena White P.A. through its website www.saxenawhite.com, by emailing the attorneys who prepared the complaint at msaxena@saxenawhite.com or jwhite@saxenawhite.com, or by calling (561) 394-3399.

The complaint seeks damages for violations of federal securities laws on behalf of all investors who acquired New Century stock from May 4, 2006 through and including February 7, 2007 (the "Class Period"). Based in Irvine, California, the Company is a real estate investment trust, providing mortgage products to borrowers nationwide through its operating subsidiaries. One of New Century's specializations is providing loans to customers in the sub-prime, higher risk loan market.

The lawsuit claims that New Century, its Chief Executive Officer, Brad A. Morrice, its Chief Financial Officer, Patti M. Dodge, and its Chairman and former Chief Executive Officer Robert Cole violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 by issuing false and misleading statements to the investing public. Specifically, the lawsuit alleges that throughout the Class Period, defendants reported quarter after quarter of seemingly strong financial results, despite a difficult operating environment in the mortgage industry. As a result, the stock traded as high as \$51.22 per share during the Class Period.

On February 7, 2007, after the market closed, defendants shocked the market by announcing that 2007 loan production would fall short of expectations. The company said it now expects 2007 loan production to be 20% below 2006 levels, in contrast to previous forecasts that it would be flat, as the level of early-payment defaults and loan repurchases have led to tighter underwriting guidelines. The company also said it would restate results for the quarters ending March 31 through Sept. 30 to correct accounting errors related to loan repurchase losses, and admitted to having material weaknesses in its financial controls. In response, the stock price dropped

dramatically, falling from over \$30 per share on February 7, to slightly over \$19 per share on February 8, 2007, on unusually high trading volumes of 25 million shares traded, vastly higher than the average trading volume of approximately 1.5 million shares. In fact, the true magnitude of losses to investors is still unknown as the Company has yet to quantify the amount of the restatements. However, before the truth concerning the Company's true financial condition was revealed, insiders, including defendant Cole and Edward Gotschall, a cofounder of the Company and Vice President of Finance, sold enormous quantities of their own stock, for proceeds of over \$24 million.

Schatz Nobel Izard, P.C. Announces Class Action Lawsuit
Against New Century Financial Corp. -- NEW

*T

HARTFORD, Conn., Feb. 9, 2007 (PRIME NEWSWIRE) -- The law firm of Schatz Nobel Izard, P.C., which has significant experience representing investors in prosecuting claims of securities fraud, announces that a lawsuit seeking class action status has been filed in the United States District Court for the Central District of California on behalf of all persons who purchased or otherwise acquired the publicly traded securities of New Century Financial Corp. ("New Century" or the "Company") (NYSE:NEW) between May 4, 2006 through February 7, 2007, inclusive, (the "Class Period").

The Complaint alleges that New Century and certain of its officers and directors violated Federal Securities laws. Specifically, defendants made false and misleading statements and concerning the Company's operations and financial results for the first three quarters of 2006. New Century is a mortgage finance company that makes a substantial number of residential mortgage loans. It does not hold these loans but sells the loans to banks and investors. The purchasers can require New Century to repurchase loans which become troubled.

During the Class Period defendants failed to disclose that New Century was being forced to buy-back substantially more loans than originally had been expected. Despite knowing of the surge in forced loan repurchases, the defendants failed to properly account for them. On February 7, 2007, New Century announced that it was going to restate its financial results for the first three quarters of 2006 because the Company had failed to account for all of the re-purchased loans, and had failed to properly reduce the value of the loans repurchased. The Company was forced to admit that its financial statements could no longer be relied upon. On this news, New Century shares fell \$10.92, a decline of over 36%, to close at \$19.24.

If you are a member of the class, you may, no later than April 10, 2007, request that the Court appoint you as lead plaintiff of the class. A lead plaintiff is a class member that acts on behalf of other class members in directing the litigation. Although your ability to share in any recovery is not affected by the decision whether or not to seek appointment as a lead plaintiff, lead plaintiffs make important decisions which could affect the overall recovery for class members, including decisions concerning settlement. The securities laws require

the Court to consider the class member(s) with the largest financial interest as presumptively the most adequate lead plaintiff(s).

Specifically, the complaint alleges that Defendants knew but failed to reveal that the Company was being forced to buy-back substantially more loans than originally expected. Despite its awareness of the surge in forced loan repurchases, the Company failed to properly account for them. Moreover, the Company failed to write-down the value of the loans that were reacquired, even though these troubled loans had materially declined in value.

According to the complaint, on February 7, 2007, New Century indicated that it would restate its financial results for the first three quarters of 2006 because it had failed to account for all of the repurchased loans, and had failed to reduce the value of the repurchased loans. In reaction to the news, shares of New Century dropped \$10.92 per share, a one-day decline of over 36%.

If you bought New Century securities between May 4, 2006 and February 7, 2007, inclusive, and would like to obtain information about the lawsuit, then you are invited to call (888) 668-4130 to speak with an advisor.

("New Century") (NYSE: NEW) who purchased shares during the period between April 7, 2006 and February 7, 2007 (the "Class Period"), may now move for appointment as lead plaintiff in a securities fraud class action lawsuit currently pending in the United States District Court for the Central District of California. No class has yet been certified in this action.

UNTIL A CLASS IS CERTIFIED, YOU ARE NOT PERSONALLY REPRESENTED BY
COUNSEL UNLESS YOU RETAIN AN ATTORNEY.

For further information on KGS, please visit www.kgscounsel.com.

New Century and certain of its officers and directors are charged with issuing a series of materially false and misleading statements in violation of Section 10(b) and 20(a) of the Exchange Act and Rule 10b-5 promulgated thereunder. Particularly, late on February 7, 2007, New Century announced that it will have to restate its consolidated financial results for the first three quarters of 2006 to correct errors the Company discovered in its application of generally accepted accounting principles regarding the Company's allowance for loan repurchase losses.

As a result of this shocking news, New Century's stock collapsed \$10.92 per share to close at \$19.24 per share on February 8, 2007, a one-day decline of 36%, on volume of 25 million shares, 17 times the average three month volume.

If you wish to serve as lead plaintiff in this case, you must move the Court no later than April 10, 2007. Any member of the purported class may move the Court to serve as lead plaintiff through counsel of their choice, or may choose to do nothing and remain an absent class member. contact Managing Partner Lewis Kahn of KGS direct, toll free 1-866-467-1400, ext. 106, or by email at lewis.kahn@kgscounsel.com. KGS focuses its practice on securities fraud litigation, and the firm's lawyers have significant experience working on securities fraud cases that have resulted in significant recoveries for shareholders. For more information on KGS, please visit www.kgscounsel.com.

SPECIAL NOTICE: Multiple law firms often file the same class action. However, courts will generally appoint only one of these firms to prosecute a securities fraud action on behalf of the shareholders based upon the amount of losses its "lead plaintiffs" have suffered. Accordingly, while KGS urges you to sign up with the firm, KGS also encourages you to carefully evaluate any other firm that may be competing with KGS to prosecute the New Century class action, should you be considering another firm. Critical components of a law firm's ability to successfully prosecute this action and obtain a strong recovery for you include the resources it will dedicate to prosecution of the case, including the number of lawyers the firm has available for the New Century action, AND the quality of the firm's work. Interested shareholders are encouraged to call for consultation and to request more information about KGS.

MWR 02/12 Shareholder Class Action Filed Against New Century Financial

Shareholder Class Action Filed Against New Century Financial Corporation by the Law Firm of Schiffrin Barroway Topaz & Kessler, LLP

RADNOR, PA -- (MARKET WIRE) -- 02/12/07 -- The following statement was issued today by the law firm of Schiffrin Barroway Topaz & Kessler, LLP:

Notice is hereby given that a class action lawsuit was filed in the United States District Court for the Central District of California on behalf of all common stock purchasers of New Century Financial Corporation (NYSE: NEW) ("New Century" or the "Company") from April 7, 2006 and February 7, 2007, inclusive (the "Class Period").

If you wish to discuss this action or have any questions concerning this notice or your rights or interests with respect to these matters, please contact Schiffrin Barroway Topaz & Kessler, LLP (Darren J. Check, Esq. or Richard A. Maniskas, Esq.) toll free at 1-888-299-7706 or 1-610-667-7706, or via e-mail at info@sbtclaw.com.

The Complaint charges New Century and certain of its officers and directors with violations of the Securities Exchange Act of 1934. More specifically, the Complaint alleges that the Company failed to disclose and misrepresented the following material adverse facts which were known to defendants or recklessly disregarded by them: (1) that New Century was under-reserving for loan losses as conditions in the sub-prime industry deteriorated; (2) that the Company failed to take timely writedowns for residual interests in securitizations; (3) that New Century failed to properly account for its allowances for early-payment defaults and loan repurchase losses; (4) that the Company lacked adequate internal and financial controls; (5) that New Century's financial statements were not prepared in accordance with Generally Accepted Accounting Principals ("GAAP"); (6) that the Company's statements about its financial well-being and future business prospects were lacking in any reasonable basis when made; and (7) that, as a result of the foregoing, New Century's financial statements were materially false and misleading at all relevant times.

On February 7, 2007, after the market had closed for the day, New Century shocked investors when it announced that it would have to restate its 2006 financial statements, since they were not prepared in accordance with GAAP.

On this news, shares of the Company's stock declined \$10.92 per share, or 36 percent, to close on February 8, 2007 at \$19.24 per share, on unusually heavy trading volume. By February 9, 2007, shares of New Century had lost nearly 42 percent of their value on this news.

Plaintiff seeks to recover damages on behalf of class members and is represented by the law firm of Schiffrin Barroway Topaz & Kessler which prosecutes class actions in both state and federal courts throughout the country. Schiffrin Barroway Topaz & Kessler is a driving force behind corporate governance reform, and has recovered billions of dollars on behalf of institutional and individual investors from the United States and around the world.

For more information about Schiffrin Barroway Topaz & Kessler or to sign up to participate in this action online, please visit <http://www.sbtclaw.com>

If you are a member of the class described above, you may, not later than April 10, 2007, move the Court to serve as lead plaintiff of the class, if you so choose. A lead plaintiff is a representative party that acts on behalf of other class members in directing the litigation. In order to be appointed lead plaintiff, the Court must determine that the class member's claim is typical of the claims of other class members, and that the class member will adequately represent the class. Under certain circumstances, one or more class members may together serve as "lead plaintiff." Your ability to share in any recovery is not, however, affected by the decision whether or not to serve as a lead plaintiff. You may retain Schiffrin, Barroway, Topaz and Kessler or other counsel of your choice, to serve as your counsel in this action.

NEW YORK--(BUSINESS WIRE)--February 12, 2007

Lovell Stewart Halebian LLP announces that it has filed a class action lawsuit in the United States District Court for the Central District of California on behalf of purchasers of the common stock and other securities of New Century Financial Corporation. The complaint alleges that New Century and certain of its officers and directors violated the federal securities laws by making false and misleading statements and omissions concerning the Company's operations and financial results for the first three quarters of 2006. New Century, a mortgage finance company, makes substantial amounts of residential mortgage loans. It does not hold these loans but sells the loans to banks and investors. The purchasers can require New Century to repurchase loans which become troubled.

During the Class Period defendants knew but failed to reveal that New Century was being forced to buy-back substantially more loans than originally had been expected. Despite knowing of the surge in forced loan repurchases, the defendants failed to properly account for them. In addition, the Company failed to write-down the value of the loans reacquired, even though these troubled loans had materially declined in value.

The Company was forced to admit that its financial statements could no longer be relied upon.

As a result of this unexpected news, New Century shares dived to a 52-week low, dropping \$10.92, a decline of over 36% on volume of 25 million shares.

MWR 02/13 Kaplan Fox Seeks to Recover Losses for Investors Who Purchased

Kaplan Fox Seeks to Recover Losses for Investors Who Purchased
Publicly Traded Securities of New Century Financial Corporation

NEW YORK, NY -- (MARKET WIRE) -- 02/13/07 -- Yesterday, Kaplan Fox & Kilsheimer LLP (www.kaplanfox.com) filed a class action suit in the United States District Court for the Central District of California against New Century Financial Corporation ("NEW" or the "Company") (NYSE: NEW) and certain of its officers and directors, on behalf of all persons or entities who purchased the publicly traded securities of NEW between May 4, 2006 and February 7, 2007, inclusive (the "Class Period").

The Complaint alleges that during the Class Period, defendants violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 by publicly issuing a series of false and misleading statements regarding the Company's business and financial results, thus causing NEW's publicly traded securities to trade at artificially inflated prices. In particular, the Complaint alleges that, unknown to investors, during the Class Period, defendants knew or recklessly disregarded: (i) that NEW was repurchasing substantially more loans than originally had been expected because of borrower defaults; (ii) in violation of generally accepted accounting principles, defendants failed to properly account for the loans by failing to take adequate reserves for loans that it would be forced to repurchase; and (iii) that the Company's internal controls were woefully inadequate, especially in light of the Company's recent growth.

The Complaint further alleges that on February 7, 2007, after the close of trading, NEW disclosed, among other things, that it would restate its financial statements for the quarters ended March 31, June 30 and September 30, 2006 "to correct errors the company discovered in its application of generally accepted accounting principles regarding the company's allowance for loan repurchase losses." Further, the Company stated that, once restated, its net earnings for each of the first three quarters of 2006 will be reduced. The Company also disclosed that its previously filed condensed consolidated financial statements for the quarters ended March 31, June 30 and September 30, 2006 and all earnings-related press releases for those periods "should no longer be relied upon" and that the Company "expects that the errors leading to these restatements constitute material weaknesses in its internal control over financial reporting for the year ended December 31, 2006."

On February 8, 2007, in reaction to NEW's surprising disclosure, its

shares declined from \$30.16 per share at the close of trading on February 7, 2007, to close at \$19.24 per share, a decline of \$10.92 per share or approximately 36%, on unusually heavy volume.

The Complaint also alleges that certain individual Defendants sold approximately 164,000 NEW shares at artificially inflated prices for proceeds of approximately \$7.3 million.

If you are a member of the proposed Class, you may move the court no later than April 10, 2007 to serve as a lead plaintiff for the Class. You need not seek to become a lead plaintiff in order to share in any possible recovery.

Plaintiff seeks to recover damages on behalf of the Class and is represented by Kaplan Fox & Kilsheimer LLP. Our firm, with offices in New York, San Francisco, Los Angeles, Chicago and New Jersey, has many years of experience in prosecuting investor class actions and actions involving financial fraud. BUS 02/13 Spector, Roseman & Kodroff, P.C. Announces Class Action Lawsuit

Against New Century Financial Corporation

PHILADELPHIA--(BUSINESS WIRE)--February 13, 2007

The law firm of Spector, Roseman & Kodroff, P.C. announces that a securities class action lawsuit was commenced in the United States District Court for the Central District of California, on behalf of purchasers of the common stock of New Century Financial Corporation ("New Century" or the "Company") (NYSE:NEW) between April 7, 2006 through and including February 7, 2007, inclusive (the "Class Period").

The Complaint alleges that the defendants violated Section 10b-5 of the Securities Exchange Act of 1934 by issuing materially false and misleading statements contained in press releases and filings with the Securities and Exchange Commission during the Class Period. Specifically, the Complaint alleges that during the Class Period, defendants issued materially false and misleading statements regarding the Company's business and financial results and concealed that, among other things, the Company's financial statements were materially misstated due to its failure to properly account for its allowance for loan repurchase losses and its failure to properly account for its residual interests in securitizations by failing to timely write down the impaired asset. As a result of these false statements, New Century stock traded at artificially inflated prices during the Class Period, reaching a high of \$51.22 per share on April 28, 2006. Defendants took advantage of this inflation, selling 665,334 shares of their New Century stock for proceeds of over \$26.6 million.

On February 7, 2007, New Century announced that it will have to restate its financial results for the first three quarters of 2006 regarding the Company's allowance for loan repurchase losses. As a result of this announcement, on February 8, 2007, the Company's stock fell \$10.92 per share to close at \$19.24 per share on.

If you purchased New Century securities during the Class Period, you may, no later than April 10, 2007, move to be appointed as a Lead Plaintiff in this class action. A Lead Plaintiff is a representative, chosen by the Court, that acts on behalf of other class members in directing the litigation. Courts have discretion in determining which class member(s) have the "largest financial interest," and have appointed Lead Plaintiffs with substantial losses

in both absolute terms and as a percentage of their net worth.

PRN 02/16 Klafter & Olsen LLP Announces That It has Filed a Class Action

Lawsuit Against New Century Financial Corp.

WASHINGTON, Feb. 16 /PRNewswire/ -- Klafter & Olsen LLP announces that it has filed a class action lawsuit in the United States District Court for the Central District of California on behalf of purchasers of the common stock and other securities of New Century Financial Corp. ("New Century" or the "Company") (NYSE: NEW) who purchased during the period from May 4, 2006 through February 7, 2007, inclusive (the "Class Period").

The claims against New Century and certain of its officers and directors allege that the defendants violated the federal securities laws by making false and misleading statements and omissions concerning the Company's operations and financial results for the first three quarters of 2006. New Century, a mortgage finance company, makes substantial amounts of residential mortgage loans. It does not hold these loans but sells the loans to banks and investors. The purchasers can require New Century to repurchase loans which become troubled.

On February 7, 2007 the Company shocked the market by announcing that it was going to restate its financial results for the first three quarters of 2006 because the Company had failed to account for all of the re-purchased loans, and had failed to properly reduce the value of the loans repurchased. The Company was forced to admit that its financial statements could no longer be relied upon. As a result of this unexpected news, New Century shares slumped to a 52-week low, plunging \$10.92, to close at \$19.42 per share a decline of over 36% on extraordinary volume of over 25 million shares. However, before that announcement, Company insiders sold more than \$26 million worth of their personal holdings during the Class Period.

If you purchased New Century publicly traded securities during the Class Period (May 4, 2006 -- February 7, 2007), you may, no later than April 10, 2007, move to be appointed as a Lead Plaintiff. A Lead Plaintiff is a representative party that acts on behalf of other class members in directing the litigation. If you have sustained losses on your purchases of New Century publicly traded securities during the Class Period, please contact Klafter & Olsen LLP at <http://www.klafterolsen.com> or call us at 202/261-3553 for a more thorough explanation of the Lead Plaintiff selection process and the claims that can be asserted against New Century.

Glancy Binkow & Goldberg LLP, Representing Investors Who
Purchased New Century Financial Corporation, Announces Class
Action Lawsuit and Seeks to Recover Losses -- NEW

*T

LOS ANGELES, Feb. 16, 2007 (PRIME NEWSWIRE) -- Notice is hereby given that Glancy Binkow & Goldberg LLP has filed a Class Action lawsuit in the United States District Court for the Central District of California on behalf of a class (the "Class") consisting of all persons or entities who purchased or otherwise acquired securities of New Century Financial Corporation ("New Century Financial" or the "Company") (NYSE:NEW) between May 4, 2006 and February 7, 2007, inclusive (the "Class Period").

A copy of the Complaint is available from the court or from Glancy Binkow & Goldberg LLP. Please contact us by phone to discuss this action or to obtain a copy of the Complaint at (310) 201-9150 or Toll Free at (888) 773-9224, by email at info@glancylaw.com, or visit our website at www.glancylaw.com.

The Complaint charges New Century Financial and certain of the Company's executive officers and directors with violations of federal securities laws. Among other things, plaintiff claims that defendants' material omissions and dissemination of materially false and misleading statements concerning the Company's financial performance caused New Century Financial's stock price to become artificially inflated, inflicting damages on investors. New Century Financial operates in the United States as a real estate investment trust which originates and purchases mortgage loans. The Complaint alleges that during the Class Period defendants knew but failed to disclose that New Century Financial was being forced to buy back substantially more loans than originally had been expected. Despite knowing of the surge in forced loan repurchases, the defendants failed to properly account for them. In addition, the Company failed to write-down the value of the loans reacquired, even though these troubled loans had materially declined in value.

On February 7, 2007, New Century Financial shocked the market by announcing that it would restate its financial results for the first three quarters of 2006 because the Company had failed to account for all of the re-purchased loans and had failed to properly reduce the value of the loans repurchased. The Company was forced to admit that its financial statements for the quarters ending March 31, 2006, June 30, 2006 and September 30, 2006 could no longer be relied upon. As a

result of the February 7, 2007 revelations, New Century Financial shares slumped to a 52-week low, dropping \$10.92 -- a decline of more than 36%, on volume of 25 million shares.

Plaintiff seeks to recover damages on behalf of Class members and is represented by Glancy Binkow & Goldberg LLP, a law firm with significant experience in prosecuting class actions, and substantial expertise in actions involving corporate fraud.

If you are a member of the Class described above, you may move the Court, not later than April 10, 2007, to serve as lead plaintiff, however, you must meet certain legal requirements. If you wish to discuss this action or have any questions concerning this Notice or your rights or interests with respect to these matters, please contact Michael Goldberg, Esquire, of Glancy Binkow & Goldberg LLP, 1801 Avenue of the Stars, Suite 311, Los Angeles, California 90067, by telephone at (310) 201-9150 or Toll Free at (888) 773-9224 or by e-mail to info@glancylaw.com.

Pomerantz Haudek Reminds New Century Financial Corporation
Investors of Lead Plaintiff Deadline -- NEW

*T

NEW YORK, Feb. 22, 2007 (PRIME NEWSWIRE) -- Pomerantz Haudek Block Grossman & Gross LLP (www.pomerantzlaw.com) ("Pomerantz") reminds investors of New Century Financial Corporation ("New Century" or the "Company") (NYSE:NEW) that April 10, 2007 is the deadline to ask the Court to appoint you as Lead Plaintiff. Pomerantz filed a class action lawsuit in the United States District Court, Central District of California, against New Century and certain officers, on behalf of purchasers of the common stock of the Company during the period from May 4, 2006 through February 7, 2007, inclusive (the "Class Period"). The complaint alleges violations of Section 10(b) and Section 20(a) of the Securities Exchange Act, and Rule 10b-5 promulgated there under.

New Century is a real estate investment trust and mortgage finance company with headquarters in Irvine, CA. The Company operates nationwide through its mortgage origination subsidiaries, New Century Finance Corporation and Home123 Corporation. The Complaint alleges that Defendants materially overstated earnings, understated loan repurchases losses, failed to establish a sufficient loan repurchase loss reserve, and violated Generally Accepted Accounting Principals ("GAAP") in various press releases and quarterly reports filed with the SEC.

In particular, defendants: (1) failed to include the expected discount upon disposition of loans when estimating allowances for loan repurchase losses; and (2) refused to properly consider the increasing volume of repurchase requests and thereby failed to apply the proper methodology for estimating the volume of anticipated repurchase claims for calculating the repurchase reserve calculation. On February 7, 2007 Defendants issued a press release admitting that they had failed to properly apply GAAP, withdrawing reliance on the previously-filed 10-Q quarterly reports for the first three quarters of 2006, and conceding that they would have to materially restate New Century's financials to reflect the proper accounting for loan repurchase losses.

If you are a shareholder who purchased the securities of New Century during the Class Period, you have until April 10, 2007 to ask the Court to appoint you as lead plaintiff for the class. Lead plaintiffs must meet certain legal requirements. Shareholders outside the United States may join the action, regardless of where they live or which exchange was used to purchase the securities. If you wish to review a copy of the Complaint, to discuss this action, or have any questions, please

contact Teresa L. Webb (tlwebb@pomlaw.com) or Carolyn S. Moskowitz (csmoskowitz@pomlaw.com) of the Pomerantz Firm at 888.476.6529 (or 888.4-POMLAW), toll free. Those who inquire by e-mail are encouraged to include their mailing address and telephone number.

The Pomerantz Firm, which has offices in New York, Chicago and Washington, D.C., is acknowledged as one of the premier firms in the areas of corporate, securities, and antitrust class litigation. Founded by the late Abraham L. Pomerantz, known as the dean of the class action bar, the Pomerantz Firm pioneered the field of securities class actions. Today, more than 70 years later, the Pomerantz Firm continues in the tradition he established, fighting for the rights of the victims of securities fraud, breaches of fiduciary duty, and corporate misconduct. Financial Corporation

SAN FRANCISCO--(BUSINESS WIRE)--February 27, 2007
Green Welling LLP ("Green Welling") announced today that it filed a class action suit in the United States District Court for the Central District of California against New Century Financial Corporation ("New Century Financial") (NYSE:NEW) and certain of its officers and directors, on behalf of all persons or entities who purchased the common stock of New Century Financial during the period between May 4, 2006 and February 7, 2007, inclusive (the "Class Period").

If you are a shareholder who purchased the common stock of New Century Financial during the Class Period, you have until April 10, 2007 to move the Court to appoint you as lead plaintiff for the Class. Any member of the proposed Class may move the Court to serve as lead plaintiff through counsel of their choice, or may choose to do nothing and remain an absent class member. Lead plaintiffs must meet certain legal requirements. If you wish to discuss this action, review a copy of the Complaint, or have any questions about this matter, you may contact Green Welling at gw@classcounsel.com or toll free at 888-610-4768. For those inquiries made by e-mail, please include a telephone number where you can be reached and your mailing address.

New Century Financial is a real estate investment trust ("REIT") and one of the nation's largest mortgage finance companies, providing mortgage products to borrowers nationwide through its operating subsidiaries. The Complaint alleges that during the Class Period, New Century Financial and certain of its officers and directors violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 by issuing materially false and misleading statements and concealing materially adverse facts regarding the Company's business and financial results, causing the investing public to purchase New Century Financial securities at artificially inflated prices. More specifically, the Complaint alleges that New Century Financial improperly accounted for loan repurchase losses when it knew of, or recklessly disregarded, a surge in borrower payment defaults in 2006. Defendants' improper accounting of its loan repurchases violated generally accepted accounting principles ("GAAP") regarding the Company's allowance for loan repurchase losses. In addition, the Complaint alleges that defendants concealed materially adverse facts from the investing public, including that the Company lacked requisite internal controls, resulting in material misstatements in the Company's financial statements and press releases.

A February 7, 2007 New Century Financial press release announced that the Company would restate its consolidated financial results for the quarters ended March 31, June 30, and September 20, 2006 to correct errors in its application of GAAP regarding the Company's allowance for loan repurchase losses. New Century stated that it expected the impact of the restatement to result in a reduction on net earnings for each of the first three quarters of 2006. On this news, shares of New Century Financial fell 35%, to \$19.58 on the New York Stock Exchange.

Plaintiff seeks to recover damages on behalf of all persons who purchased New Century Financial common stock during the Class Period. Plaintiff is represented by Green Welling, a San Francisco-based law firm specializing in the prosecution of class actions and other complex litigation nationwide on behalf of a wide range of consumer and investor clients. MWR 02/28 Brower Piven Announces the Filing of a Class Action Lawsuit

Brower Piven Announces the Filing of a Class Action Lawsuit Against New Century Financial Corporation

BALTIMORE, MD -- (MARKET WIRE) -- 02/28/07 -- Brower Piven, A Professional Corporation announces that class action lawsuits have been commenced in the United States District Court for the Central District of California on behalf of purchasers of the common stock of New Century Financial Corporation ("New Century" or the "Company") (NYSE: NEW) between April 7, 2006 and February 7, 2007, inclusive (the "Class Period"). Brower Piven is one of the firms that has filed such a lawsuit.

The complaint alleges that New Century and certain of its officers and directors violated the federal securities law. New Century is a real estate investment trust that through its subsidiaries operates mortgage finance companies.

The complaint alleges that during the Class Period, defendants issued materially false and misleading statements regarding the Company's business and financial results and concealed the following material adverse facts from the investing public: (a) the Company lacked requisite internal controls, and, as a result, the Company's projections and reported results issued during the Class Period were based upon defective assumptions and/or manipulated facts; (b) the Company's financial statements were materially misstated due to its failure to properly account for its allowance for loan repurchase losses; (c) the Company's financial statements were materially misstated due to its failure to properly account for its residual interests in securitizations by failing to timely write down the impaired asset; (d) given the deterioration and the increased volatility in the sub-prime market, the Company would be forced to tighten its underwriting guidelines which would have a direct material negative impact on its loan productions going forward; and (e) given the increased volatility in the sub-prime market, the Company had no reasonable basis to make projections about its ability to maintain its current mortgage loan production levels for 2007. The complaint further alleges that as a result of these false statements, New Century stock traded at artificially inflated prices during the Class Period, reaching a high of \$51.22 per share on April 28, 2006 and that Defendants took advantage of this inflation, selling 665,334 shares of their New Century stock for proceeds of over \$26.6 million. On February 7, 2007, after the market closed, New Century announced that it will have to restate its consolidated financial results for the first three quarters of 2006 to correct errors the Company

discovered in its application of generally accepted accounting principles regarding the Company's allowance for loan repurchase losses. On this news, New Century's stock fell \$10.92 per share to close at \$19.24 per share on February 8, 2007, a one-day decline of approximately 36%.

If you purchased stock (or bought call options or sold put options) in New Century Financial Corporation during the Class Period and suffered a net loss for transactions during that period (including shares purchased during, but retained after the Class Period), you may be a member of the proposed class, and you have until April 10, 2007 to ask the Court to become the lead plaintiff. The complaint alleges violations of the federal securities laws, including Section 10(b) of the Securities Exchange Act.

If you purchased New Century common stock or call options during the Class Period or sold New Century put options during the Class Period, you may be a member of the proposed Class. Class members may retain counsel of their choice and move the Court to serve as a lead plaintiff, or may choose to do nothing and remain absent class members.

New Century is a real estate investment trust and mortgage finance company headquartered in Irvine, California. The Complaint alleges that, throughout the Class Period, Defendants issued materially false and misleading statements regarding the Company's business and financial results and failed to disclose, among other things, that: (1) the Company was under-reserving for loan losses as conditions in the sub-prime industry deteriorated; (2) the Company failed to take timely write-downs for residual interests in securitizations; (3) the Company lacked adequate internal and financial controls; (4) the Company's financial statements were not prepared in accordance with Generally Accepted Accounting Principals ("GAAP"); and (5) the Company's statements about its financial well-being and future business prospects were lacking in any reasonable basis when made. The Complaint further alleges that, as a result of these false statements and omissions, New Century securities traded at artificially inflated or distorted prices. On February 7, 2007, after the close of trading, New Century shocked investors when it announced that it would have to restate its 2006 financial statements, since they were not prepared in accordance with GAAP. In reaction to this news, the price of the Company's stock declined \$10.92 per share, or 36%, to close on February 8, 2007 at \$19.24 per share, on unusually heavy trading volume. PRN 03/05 Shareholder Notice: Zwerling, Schachter & Zwerling, LLP Files

Shareholder Class Action Against New Century Financial Corporation (NEW)

NEW YORK, March 5 /PRNewswire/ -- Zwerling, Schachter & Zwerling, LLP ("Zwerling Schachter") has filed a class action lawsuit in the United States District Court for the Central District of California on behalf of all persons and entities who purchased the securities of New Century Financial Corp. ("New Century" or the "Company") (NYSE: NEW) during the period from May 4, 2006 through February 7, 2007 (the "Class Period"). The deadline to file a motion seeking to be appointed lead plaintiff is April 10, 2007.

If you purchased the securities of New Century during the Class Period, you may apply to serve as lead plaintiff. The lead plaintiff is responsible for overseeing the prosecution of the action and ensuring that the interests of the class are protected. You may apply to be appointed lead plaintiff through Zwerling Schachter.

If you wish to discuss this action or have any questions concerning your rights and interests with respect to this securities litigation matter, please contact Kevin McGee, Esq. at Zwerling Schachter, 1-800-721-3900, or by e-mail at kmcgee@zsz.com.

The complaint alleges that defendants violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Rule 10b-5 promulgated thereunder. Specifically, the complaint alleges that New Century was forced to restate its financial results for the first three quarters of 2006 because the Company had 1) failed to reserve adequately for all of the non-performing mortgages it was forced to repurchase, and 2) failed to account properly for the reduction in value of the mortgages repurchased. The Company acknowledged that its previously-issued financial statements for the quarters ending March 31, 2006, June 30, 2006 and September 30, 2006 could no longer be relied upon. New Century is also expected to report a net loss for the quarter ended December 31, 2006, due to the same reasons that lead to the restatement of its financial results.

In response to the announcement regarding the restatement, on February 8, 2007, New Century's common stock dropped \$10.92, a decline of over 36%, on volume of 25 million shares. Finally, on March 2, 2007, in a filing with the Securities & Exchange Commission, New Century stated that it was out of compliance with debt covenants and had received waivers from only six out of eleven of its lenders. The Company warned that if it were unable to reach agreements with the remaining lenders, the Company's auditor will include an explanatory paragraph on the Company's financial statements indicating that substantial doubt exists as to the Company's ability to continue as a going concern. On March 5, 2007, New Century's common stock dropped more than 60% to

a low of \$5.25.

WASHINGTON, March 5 /PRNewswire-USNewswire/ -- Klafter & Olsen LLP announces that it is extending the class period in its class action against New Century Financial Corp. ("New Century" or the "Company") to now include purchasers of New Century common stock and other securities through Friday, March 2, 2007. Other lawsuits against New Century, filed in the United States District Court for the Central District of California, currently allege a class period beginning on May 4, 2006 and ending on February 7, 2007.

The claims against New Century and certain of its officers and directors allege that the defendants violated the federal securities laws by making false and misleading statements and omissions concerning the Company's operations and financial results for the first three quarters of 2006. New Century, a mortgage finance company, makes substantial amounts of residential mortgage loans. It does not hold these loans but sells the loans to banks and investors. The purchasers can require New Century to repurchase loans which become troubled.

On February 7, 2007 the Company shocked the market by announcing that it was going to restate its financial results for the first three quarters of 2006 because the Company had failed to account for all of the re-purchased loans, and had failed to properly reduce the value of the loans repurchased. As a result of this unexpected news, New Century shares slumped to a 52-week low, plunging \$10.92, to close at \$9.42 per share a decline of over 36% on extraordinary volume of over 25 million shares. However, before that announcement, Company insiders sold more than \$26 million worth of their personal holdings during the Class Period.

Then, after the close of the market on Friday, March 2, 2007, New Century disclosed for the first time that the U.S. Attorney's Office for the Central District of California had notified the Company that it is conducting a criminal inquiry in connection with trading in New Century's stock. The Company also stated that the U.S. Attorney's Office is investigating accounting issues regarding New Century's allowance for repurchase losses. On Monday, March 5, 2007, the next trading day, New Century's stock price collapsed nearly 69% -- closing at \$4.56 on 17 times the average three month volume.

If you purchased New Century publicly traded securities during the extended Class Period (May 4, 2006 - March 2, 2007), you may, no later than April 10, 2007, move to be appointed as a Lead Plaintiff. A Lead Plaintiff is

MINNEAPOLIS, March 6, 2007 (PRIME NEWSWIRE) -- Lockridge Grindal Nauen P.L.L.P. filed a class action against New Century Financial Corp. ("New Century" or the "Company") (NYSE:NEW) in the U.S. District Court for the Central District of California on behalf of purchasers of New Century common stock during the period May 4, 2006 through Friday, March 2, 2007. This is an extension of the class period alleged in previously filed suits.

The Complaint names New Century and certain of its officers and directors and alleges that the defendants violated the federal securities laws by making false and misleading statements concerning the Company's operations and financial results for the first three quarters of 2006.

On February 7, 2007 the Company announced that it was going to restate its financial results for the first three quarters of 2006 because it had failed to account for all repurchased loans and had failed to properly reduce the value of the loans repurchased. As a result, New Century shares dropped to a 52-week low, plunging \$10.92, to close at \$9.42 per share, a decline of over 36% on extraordinary volume. Before the announcement, Company insiders sold more than \$26 million worth of their personal holdings in New Century stock.

On Friday, March 2, 2007, New Century disclosed that the U.S. Attorney's Office for the Central District of California had notified the Company that it is conducting a criminal inquiry in connection with trading in New Century's stock. The Company also disclosed that the U.S. Attorney's Office is investigating accounting issues regarding New Century's allowance for repurchase losses. On Monday, March 5, 2007, the next trading day, New Century's stock price collapsed nearly 69% -- closing at \$4.56 on 17 times the average three month volume.

If you purchased New Century publicly traded securities during the extended Class Period (May 4, 2006 -- March 2, 2007), you may, no later than April 10, 2007, move to be appointed as a Lead Plaintiff. You do not need to become a lead plaintiff in order to share in any possible recovery.

Plaintiff seeks to recover damages on behalf of the Class and is

represented by Lockridge Grindal Nauen P.L.L.P. If you have questions about the lawsuit or would like to discuss it with an attorney, please call or e-mail:

Mager & Goldstein LLP Files Securities Class Action Against
New Century Financial Corp. -- NEW

*T

WESTON, Fla., March 7, 2007 (PRIME NEWSWIRE) -- The law firm of Mager & Goldstein LLP announces it has filed a class action lawsuit in the U.S. District Court for the Central District of California on behalf of all purchasers of securities of New Century Financial Corporation ("New Century" or the "Company") (NYSE:NEW) between May 4, 2006 and March 2, 2007, inclusive (the "Class Period").

The Complaint alleges that defendants violated federal securities laws by issuing materially false and misleading statements during the Class Period which resulted in artificially inflating the value of New Century stock. New Century did not properly account for home loans it had to repurchase and as a result its net earnings were materially overstated for the periods ended March 31, June 30 and September 30, 2006.

On February 7, 2007 defendants shocked investors by revealing that the Company would have to restate its financial results. Then on March 2, 2007, following the close of the market, New Century disclosed that it had received notification from the U.S. Attorney's Office that it was conducting a criminal inquiry in connection with trading of New Century's stock and into the Company's accounting errors regarding accounting for its repurchase losses. As a result of New Century's stunning revelations, the price of New Century's stock initially plummeted over 35 percent. Following its revelation on March 2, 2007 that it faced investigation of its accounting and stock trading, shares of New Century crashed by more than 68 percent.

If you bought New Century securities between May 4, 2006 and March 2, 2007 and sustained damages, you may, no later than April 10, 2007, request that the Court appoint you as lead plaintiff. A lead plaintiff is a representative who acts on behalf of other class members in directing the litigation. Under certain circumstances, several class members may together serve as "lead plaintiff." Your ability to share in any recovery is not, however, affected by whether or not you serve as lead plaintiff. You may retain Mager & Goldstein LLP, or other counsel, to represent you in this action.

Mager & Goldstein has offices in Pennsylvania and Florida. The firm's attorneys have been litigating complex commercial matters for over twenty years.

WR 03/10 Update: Brower Piven Announces Extended Class Period in

Update: Brower Piven Announces Extended Class Period in Actions Against New Century Financial Corporation After Disclosure of Government Inquiry

BALTIMORE, MD -- (MARKET WIRE) -- 03/10/07 -- Brower Piven, A Professional Corporation announces that class action lawsuits filed in the United States District Court for the Central District of California on behalf of purchasers of the common stock of New Century Financial Corporation ("New Century" or the "Company") (NYSE: NEW) include claims for an extended period through March 2, 2007 such that the period for which claims have now been asserted extends from April 7, 2006 through March 2, 2007 (the "Class Period").

Claims for this extended period were asserted when, after the close of the market on Friday, March 2, 2007, New Century disclosed for the first time that the U.S. Attorney's Office for the Central District of California had notified the Company that it is conducting a criminal inquiry in connection with trading in New Century's stock and that the U.S. Attorney's Office is investigating accounting issues regarding New Century's allowance for loan repurchase losses. On Monday, March 5, 2007, the next trading day, New Century's stock price continued to fall, closing below \$5.00 per share. Brower Piven, one of the firms that filed a class action lawsuit against the Company, has also been retained to pursue claims during the Class Period that extends through March 2, 2007.

The complaint filed by Brower Piven alleges that New Century and certain of its officers and directors violated the federal securities law. New Century is a real estate investment trust that through its subsidiaries operates mortgage finance companies.

The complaint filed by Brower Piven also alleges that during the Class Period, defendants issued materially false and misleading statements regarding the Company's business and financial results and concealed the following material adverse facts from the investing public: (a) the Company lacked requisite internal controls, and, as a result, the Company's projections and reported results issued during the Class Period were based upon defective assumptions and/or manipulated facts; (b) the Company's financial statements were materially misstated due to its failure to properly account for its allowance for loan repurchase losses; (c) the Company's financial statements were materially misstated due to its failure to properly account for its residual interests in securitizations by failing to timely write down the impaired asset; (d) given the deterioration and

the increased volatility in the sub-prime market, the Company would be forced to tighten its underwriting guidelines which would have a direct material negative impact on its loan productions going forward; and (e) given the increased volatility in the sub-prime market, the Company had no reasonable basis to make projections about its ability to maintain its current mortgage loan production levels for 2007. The complaint further alleges that as a result of these false statements, New Century stock traded at artificially inflated prices during the Class Period, reaching a high of \$51.22 per share on April 28, 2006 and that Defendants took advantage of this inflation, selling 665,334 shares of their New Century stock for proceeds of over \$26.6 million. On February 7, 2007, after the market closed, New Century announced that it will have to restate its consolidated financial results for the first three quarters of 2006 to correct errors the Company discovered in its application of generally accepted accounting principles regarding the Company's allowance for loan repurchase losses. On this news, New Century's stock fell \$10.92 per share to close at \$19.24 per share on February 8, 2007, a one-day decline of approximately 36%. Shares of the Company closed below \$3.25 on March 9, 2007.

If you purchased stock (or bought call options or sold put options) in New Century Financial Corporation during the Class Period and suffered a net loss for transactions during the Class Period (including shares purchased during, but retained after, the Class Period), you may be a member of the proposed class, and you have until April 10, 2007 to ask the Court to become the lead plaintiff. To serve as lead plaintiff, however, you must meet certain legal requirements. To learn more about this lawsuit and your ability to become a lead plaintiff, you may contact Brower Piven without obligation or cost to you, at The World Trade Center-Baltimore, 401 East Pratt Street, Suite 2525, Baltimore, Maryland 21202, by email at hoffman@browerpiven.com or by calling 410-332-0030. Charles Piven and David Brower have combined experience in securities and class action litigation of over 40 years. If you choose to retain counsel, you may retain Brower Piven, or you may retain other counsel of your choice.

PRN 03/16 Shepherd, Finkelman, Miller & Shah, LLC Files Class Action

Lawsuit Against New Century Financial Corp. -- NEWC (Pink Sheets)

HARTFORD, Conn., March 16 /PRNewswire/ -- Shepherd, Finkelman, Miller & Shah, LLC (<http://www.sfmslaw.com>; e-mail: jmiller@sfmslaw.com), a law firm with offices in Connecticut, Pennsylvania, New Jersey, Florida, and Wisconsin announces that it has filed a lawsuit seeking class action status in the United States District Court for the Central District of California, on behalf of all persons (the "Class") who purchased the common stock of New Century Financial Corp. (Pink Sheets: NEWC) ("New Century" or the "Company") between April 7, 2006 and February 7, 2007, inclusive (the "Class Period"). A copy of the Complaint may be obtained from the Court, or you can call our offices toll free at either 866/540-5505 or 877/891-9880 to speak with an attorney regarding this matter and we will send you a copy of the Complaint.

The Complaint alleges that New Century, Brad A. Morrice, Robert K. Cole and Edward F. Gotschall (the Company's three co-founders), and officers Patti M. Dodge and Taj S. Bindra ("Defendants") violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, and Rule 10b-5 promulgated thereunder, by issuing a series of materially false and misleading statements to the market throughout the Class Period that had the effect of artificially inflating the market price of the Company's stock. The Complaint alleges that Defendants misrepresented and/or omitted to disclose, despite a duty to do so, that the Company, among other things, was under-reserving for loan losses while conditions in the sub-prime market were deteriorating, had failed to properly value residual interests in loan securitizations in 2006 and earlier periods, lacked adequate internal controls, and that New Century's financial statements were not prepared in accordance with Generally Accepted Accounting Principles ("GAAP"). The Complaint further alleges that these false statements caused New Century's stock to trade at artificially inflated prices during the Class Period, which the Company's insiders took advantage of by selling large quantities of their own shares of New Century stock.

The Class Period ends on February 7, 2007, when New Century announced, after the market had closed, that it would have to restate its financial results for the first three quarters of 2006 because of accounting violations. On this news, New Century's stock plummeted 36% on February 8th, closing at \$19.24 per share. Since then, the Company has announced that it received a grand jury subpoena regarding its accounting treatment and insider sales, and that it is the subject of an investigation by the SEC. On March 13, 2007, New Century's stock was delisted from the NYSE, and the last reported share price was \$1.66. The Company's shares now trade on the Pink Sheets.

If you purchased New Century stock between April 7, 2006 and February 7, 2007, inclusive, you may qualify to serve as lead plaintiff on behalf of the

Class. All motions for appointment as lead plaintiff must be filed with the Court by no later than April 10, 2007. Any member of the proposed Class may move the Court to serve as lead plaintiff in this action through counsel of his or her choice, or may remain an absent class member. There are certain legal requirements to serve as lead plaintiff, which we would be pleased to discuss with you. Please contact James E. Miller, Esquire (866/540-5505; jmiller@sfmslaw.com), or James C. Shah, Esquire (877/891- 9880; jshah@sfmslaw.com), if you would like to discuss this action or have any questions regarding this notice or your rights.

Pomerantz Haudek Reminds Investors of New Century Financial Corporation of April 10, 2007 Deadline -- NEWC

*T

NEW YORK, March 16, 2007 (PRIME NEWSWIRE) -- Pomerantz Haudek Block Grossman & Gross LLP (www.pomlaw.com) ("Pomerantz") reminds investors of New Century Financial Corporation ("New Century" or the "Company") (Pink Sheets:NEWC) that the deadline to ask the Court to appoint you as Lead Plaintiff is April 10, 2007. Pomerantz filed a class action lawsuit in the United States District Court, Central District of California, against New Century and certain officers, on behalf of purchasers of the common stock of the Company during the period from May 4, 2006 through February 7, 2007, inclusive (the "Class Period"). The complaint alleges violations of Section 10(b) and Section 20(a) of the Securities Exchange Act, and Rule 10b-5 promulgated there under.

New Century is a real estate investment trust and mortgage finance company with headquarters in Irvine, CA. The Company operates nationwide through its mortgage origination subsidiaries, New Century Finance Corporation and Home123 Corporation. The Complaint alleges that Defendants materially overstated earnings, understated loan repurchases losses, failed to establish a sufficient loan repurchase loss reserve, and violated Generally Accepted Accounting Principles ("GAAP") in various press releases and quarterly reports filed with the SEC.

In particular, defendants: (1) failed to include the expected discount upon disposition of loans when estimating allowances for loan repurchase losses; and (2) refused to properly consider the increasing volume of repurchase requests and thereby failed to apply the proper methodology for estimating the volume of anticipated repurchase claims for calculating the repurchase reserve calculation. On February 7, 2007 Defendants issued a press release admitting that they had failed to properly apply GAAP, withdrawing reliance on the previously-filed 10-Q quarterly reports for the first three quarters of 2006, and conceding that they would have to materially restate New Century's financials to reflect the proper accounting for loan repurchase losses.

If you are a shareholder who purchased the securities of New Century during the Class Period, you have until April 10, 2007 to ask the Court to appoint you as lead plaintiff for the class. Lead plaintiffs must meet certain legal requirements. Shareholders outside the United States may join the action, regardless of where they live or which exchange was used to purchase the securities. If you wish to review a copy of the Complaint, to discuss this action, or have any questions, please

PRN 03/19 Berger & Montague, P.C. Sues New Century on Behalf of Preferred

Shareholders; Names Underwriters as Additional Defendants

PHILADELPHIA, March 19 /PRNewswire/ -- The law firm of Berger & Montague, P.C. announces it has filed a class action lawsuit in the U.S. District Court for the Central District of California on behalf of all purchasers of New Century Financial Corporation's ("New Century" or the "Company") Series B Cumulative Redeemable Preferred Stock ("Series B Preferred Stock") (OTC Bulletin Board: NEWCO.PK) between August 15, 2006 and February 7, 2007, inclusive (the "Class Period").

On February 7, 2007 New Century shocked investors by revealing that the Company would have to restate its financial results, due to insufficient reserves associated with its sub-prime lending business and material weaknesses in its internal control function.

On March 2, 2007, following the close of the market, New Century disclosed that it had received notification from the U.S. Attorney's Office that it was conducting a criminal inquiry. On March 13, 2007, New Century revealed that the SEC opened an investigation.

As a result of New Century's stunning revelations, the price of New Century's Series B Preferred Stock initially plummeted from \$24.95 per share on February 7, 2007, to \$19.04 on February 12, 2007 -- a decline of over 23%. Following its revelation on March 13, 2007 that it faced an SEC investigation, amid speculation of bankruptcy, the Series B Preferred Stock traded as low as \$6 per share on March 14, 2007 -- a decline of 76%.

The Complaint charges New Century and certain of its officers and directors with violations of Section 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act"). It alleges that those defendants violated federal securities laws by issuing materially false and misleading statements during the Class Period which resulted in artificially inflating the value of New Century's Series B Preferred Stock.

Additionally, the Complaint charges New Century, certain of its officers and directors, as well as: (i) Bear Stearns & Co., Inc., (ii) Morgan Stanley & Co. Inc. (iii) Stifel Nicolaus & Co., Inc., and (iv) Jeffries & Co., Inc. (collectively, the "Underwriters") with violations of Sections 11 and 12(a)(2) of the Securities Act of 1933 (the "Securities Act"), for the materially false and misleading statements incorporated by reference in the Series B Preferred's Registration Statement, Prospectus, and Prospectus Supplement.

The Securities Act claims, unlike the Exchange Act claims, are unique to purchasers of the Series B Preferred Stock, in that they are asserted against

New Century's Underwriters and do not require a showing of fraudulent intent.

If you bought New Century Series B Preferred Stock between August 15, 2006 and February 7, 2007, you may, no later than April 10, 2007, request that the Court appoint you as lead plaintiff. While this lawsuit is believed to be the first class action asserting Securities Act claims on behalf of purchasers of New Century's Series B Preferred Stock, and also the first to assert claims against New Century's Underwriters, previously issued notices have indicated an April 10, 2007 lead plaintiff application deadline for purchasers of New Century's "securities." Accordingly, out of an abundance of caution, a lead plaintiff application with respect to the Series B Preferred Stock class should be filed by April 10, 2007. A lead plaintiff must have standing to assert class claims and serve as a representative party who acts on behalf of other class members in directing the litigation.

If you have sustained losses in New Century's Series B Preferred Stock during the Class Period, please contact Berger & Montague, P.C. at investorprotect@bm.net for a more thorough explanation of the Lead Plaintiff selection process and the litigation.

The law firm of Berger & Montague, P.C. consists of over 60 attorneys, all of whom represent plaintiffs in complex litigation. The Berger firm has extensive experience representing institutions and other investor plaintiffs in class action securities litigation, playing lead roles in major cases over the past 30 years that have resulted in recoveries of billions of dollars to investors. The firm has represented investors as lead counsel in such leading securities actions as Rite Aid, Sotheby's, Waste Management, Sunbeam, Boston Chicken and IKON Office Solutions. The standing of Berger & Montague, P.C. in successfully conducting major securities and antitrust litigation has been recognized by numerous courts. For example:

"In short, it would be hard to equal the skill class counsel demonstrated here." In Re: Rite Aid Corporation Securities Litigation, MDL Docket No. 1360, Master File No. 99- 1349 (E. D. Pa.) (\$334 million settlement).

"Class counsel did a remarkable job in representing the class interests." In Re: IKON Office Solutions Securities Litigation, Civil Action No. 98-4286 (E. D. Pa.) (partial settlement for \$111 million).

". . . [Y]ou have acted the way lawyers at their best ought to act. And I have had a lot of cases . . . In 15 years now as a judge and I cannot recall a significant case where I felt people were better represented than they are here . . . I would say this has been the best representation that I have seen." In Re: Waste Management, Inc. Securities Litigation, Civil Action No. 97-C7709 (N.D. Ill.) (settled for

\$220 million).

If you bought New Century Financial Corporation's stock through your NEW retirement account and have information or would like to learn more about these claims, please contact us.

On March 2, 2007, NEW disclosed in a filing with the Securities & Exchange Commission on Form 8-K that: 1) "[t]he staff of the SEC has requested a meeting with the Company to discuss the events leading up to the announcement of the restatements...."; 2) "the Company received a letter dated February 21, 2007 from the NYSE Regulation Inc. indicating that its Market Trading Analysis Department is reviewing transactions in the Company's securities prior to the February 7, 2007 announcement of the restatement process"; and 3) "[o]n February 28, 2007, the Company received a letter from the United States Attorney's Office for the Central District of California (the "U.S. Attorney's Office") indicating that it was conducting a criminal inquiry under the federal securities laws in connection with trading in the Company's securities, as well as accounting errors regarding the Company's allowance for repurchase losses."

The following trading day, NEW shares declined from a closing price on March 2, 2007 of \$14.65 per share, to close at \$4.56 per share at the close of trading on March 5, 2007, a decline of \$10.09 per share or approximately 69%, on heavier than usual volume.

If you purchased NEW's securities during the Class Period, you may request that the Court appoint you as lead plaintiff by no later than April 10, 2007. A lead plaintiff is a representative party that acts on behalf of other class members in directing the litigation. In order to be appointed lead plaintiff, the Court must determine that

the class member's claim is typical of the claims of other class members, and that the class member will adequately represent the class. Under certain circumstances, one or more class members may together serve as "lead plaintiff." Your ability to share in any recovery is not, however, affected by the decision whether or not to serve as a lead plaintiff. You may retain Stull, Stull & Brody, or other counsel of your choice, to serve as your counsel in this action. Stull, Stull & Brody has litigated many class actions for violations of securities laws in federal courts over the past 30 years and has obtained court approval of substantial settlements on numerous occasions. Stull, Stull & Brody maintains offices in both New York and Los Angeles.

MWR 03/30 Investor Notice: Murray, Frank & Sailer LLP Announces That

Investor Notice: Murray, Frank & Sailer LLP Announces That Investors Have Until April 10, 2007 to Move for Lead Plaintiff Appointment in the Securities Class Action Against New Century Financial Corp.

Class Period Expanded Until March 2, 2007

NEW YORK, NY -- (MARKET WIRE) -- 03/30/07 -- On February 9, 2007, Murray, Frank & Sailer LLP filed a class action in the Central District of California, Southern Division, on behalf of shareholders who purchased or otherwise acquired the securities of New Century Financial Corp. ("New Century" or the "Company") (NYSE: NEW) between April 4, 2006 and February 7, 2007, inclusive (the "Class Period"). The case was given Civil Action # 07cv162.

Since February 9, 2007, material events have transpired, which have expanded that class period until March 2, 2007. If you are a member of the class, you may, no later than April 10, 2007, move to be appointed as a Lead Plaintiff.

The complaint charges New Century and certain of its officers and directors with violations of the Securities Exchange Act of 1934. New Century is a real estate investment trust that through its subsidiaries operates mortgage finance companies.

The complaint alleges that during the Class Period, defendants issued materially false and misleading statements regarding the Company's business and financial results and concealed the following material adverse facts from the investing public: (a) the Company lacked requisite internal controls, and, as a result, the Company's projections and reported results issued during the Class Period were based upon defective assumptions and/or manipulated facts; (b) the Company's financial statements were materially misstated due to its failure to properly account for its allowance for loan repurchase losses; (c) the Company's financial statements were materially misstated due to its failure to properly account for its residual interests in securitizations by failing to timely write down the impaired asset; (d) given the deterioration and the increased volatility in the subprime market, the Company would be forced to tighten its underwriting guidelines which would have a direct material negative impact on its loan productions going forward; and (e) given the increased volatility in the subprime market, the Company had no reasonable basis to make projections about its ability to maintain its current mortgage loan production levels for 2007. As a result of these false statements, New Century stock traded at

artificially inflated prices during the Class Period, reaching a high of \$51.22 per share on April 28, 2006. Defendants took advantage of this inflation, selling 665,334 shares of their New Century stock for proceeds of over \$26.6 million.

Murray, Frank & Sailer LLP and its predecessor firms have devoted its practice to shareholder class actions and complex commercial litigation for more than fifteen years and have recovered hundreds of millions of dollars for shareholders in class actions throughout the United States. MWR 04/05 KGS Announces Filing of Class Action Lawsuit Against New

KGS Announces Filing of Class Action Lawsuit Against New Century Financial Corp. on Behalf of Purchasers of Series A and Series B Preferred Shares

NEW ORLEANS, LA -- (MARKET WIRE) -- 04/05/07 -- Kahn Gauthier Swick, LLC ("KGS") has filed the first class action lawsuit in the United States District Court for the Central District of California, Southern Division, on behalf of shareholders who purchased New Century Financial Corp. ("New Century") Series A Preferred shares, sold in a public offering on June 15, 2005, and/or Series B Preferred shares, offered on August 16, 2006.

The complaint charges New Century and its entire Board of Directors with violations of the Securities Act of 1933 Sections 11, 12(a)(2) and 15. The action charges defendants with strict liability for the false statements contained in each Registration Statement and Proxy/Prospectus.

On February 7, 2007, New Century announced that it will have to restate its previously reported financial results to correct errors related to its application of generally accepted accounting principles, necessary for reporting allowances for loan repurchase losses. On this news, New Century's Preferred shares declined precipitously.

Later, on March 2, 2007, New Century also disclosed that the U.S. Attorney's Office for the Central District of California had notified the Company that it is conducting a criminal inquiry in connection with trading in New Century's stock, and its accounting. The following trading day, New Century's Preferred Shares again declined.

On April 2, 2007, New Century announced that it would file for Bankruptcy protection.

If you are a Series A or Series B Preferred shareholder and wish to serve as lead plaintiff in the Preferred Shareholders' Action you must move the Court no later than June 4, 2007. [See SPECIAL NOTICE, below.] Any member of the purported class may move the Court to serve as lead plaintiff through counsel of their choice, or may choose to do nothing and remain an absent class member. If you would like to discuss your legal rights, you may e-mail or call KGS, without obligation or cost to you. You may contact Managing Partner Lewis Kahn of KGS direct, toll free 1-866-467-1400, ext., 106, or email at lewis.kahn@kgsounsel.com. KGS focuses its practice on securities fraud litigation, and the firm's lawyers have significant

experience working on securities fraud cases that have resulted in significant recoveries for shareholders. For additional information regarding KGS, please visit our website at www.kgscounsel.com.

SPECIAL NOTICE: At least 17 Shareholder securities fraud class actions have been filed by numerous law firms on behalf of purchasers of New Century common stock (the "Securities Fraud Class Actions") in the open market between 4/7/06 and 3/2/07, alledging violations of the Securities Exchange Act of 1934 Sections 10(b) and 20(a). Pursuant to the Private Securities Litigation Reform Act ("PSLRA"), the deadline to move the Court to serve as lead plaintiff in the Securities Fraud Class Action is Tuesday, April 10, 2007. The Securities Fraud Class Actions do not include claims related to either the Series A or Series B Preferred Share Offerings and, therefore, KGS believes that these actions are not related to the Preferred Shareholders' Action. Accordingly, KGS will oppose any related case designation and will also oppose consolidation of the Preferred Shareholders' Action with the Securities Fraud Class Actions. Shareholders, however, must be advised that there is no guarantee that such consolidation opposition will succeed and, accordingly, to best preserve and protect your rights, Preferred Shareholders are encouraged to contact KGS prior to April 10, 2007.

PRN 04/05 Shareholder Notice: Zwerling, Schachter & Zwerling, LLP Files

Shareholder Class Action on Behalf of Purchasers of New Century Financial Corporation's Securities (NEWC.PK) for Expanded Class Period

NEW YORK, April 5 /PRNewswire/ -- Zwerling, Schachter & Zwerling, LLP ("Zwerling Schachter") has filed a class action lawsuit in the United States District Court for the Central District of California on behalf of all persons and entities who purchased the securities of New Century Financial Corp. ("New Century" or the "Company") (OTC: NEWC.PK) during the period from February 3, 2005 through March 2, 2007 (the "Class Period"). The complaint extends the existing class period from the originally filed actions. The deadline to file a motion seeking to be appointed lead plaintiff is April 10, 2007.

If you purchased the securities of New Century during the Class Period, you may apply to serve as lead plaintiff. The lead plaintiff is responsible for overseeing the prosecution of the action and ensuring that the interests of the class are protected. You may apply to be appointed lead plaintiff through Zwerling Schachter.

If you wish to discuss this action or have any questions concerning your rights and interests with respect to this securities litigation matter, please contact Zwerling Schachter (Kevin McGee, Esq. or Jayne Nykolyn) at 1-800-721-3900 or by e-mail at kmcgee@zsz.com or jnykolyn@zsz.com.

The complaint alleges that defendants violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Rule 10b-5 promulgated thereunder. Specifically, the complaint alleges that throughout the Class Period defendants issued numerous materially false and misleading statements concerning New Century's profitability, underwriting standards, and financial strength. On February 7, 2007, in contrast to the positive statements issued throughout the Class Period, New Century announced that it would restate its financial results because the Company had 1) failed to reserve adequately for all of the non-performing mortgages it was forced to repurchase, and 2) failed to account properly for the reduction in value of the mortgages repurchased. On March 2, 2007, in a filing with the Securities & Exchange Commission, the Company stated that the Audit Committee of the Board of Directors initiated its own independent investigation concerning, among other things, "issues pertaining to the Company's valuation of residual interests in securitizations in 2006 and prior periods."

Also on March 2, 2007, New Century stated that it was out of compliance with debt covenants and that if it were unable to reach agreements with all of its lenders, the Company's auditor will include an explanatory paragraph on the Company's financial statements indicating that substantial doubt exists as

to the Company's ability to continue as a going concern. On March 5, 2007, New Century's common stock dropped more than 60% to a low of \$5.25.

On April 2, 2007, New Century announced that it filed for voluntary bankruptcy under Chapter 11 of the United States Bankruptcy Code. New Century's common and preferred shares have been de-listed from the New York Stock Exchange and now trade on the over-the-counter market. On April 4, 2007, New Century's common stock closed at \$1.00 per share.

Zwerling Schachter concentrates in prosecuting class actions nationwide on behalf of investors. The firm currently plays a leading role in numerous major securities and complex commercial litigations pending in federal and state courts and has offices in New York City, Uniondale, New York, Boca Raton, Florida and Seattle, Washington.
